Bio: Ivan Oransky, MD, is co-founder of Retraction Watch, editor in chief of Spectrum, and distinguished writer in residence at New York University's Arthur Carter Journalism Institute. Ivan, a graduate of the NYU School of Medicine, previously was president of the Association of Health Care Journalists and vice president of editorial at Medscape. He has also held editorial leadership positions at MedPage Today, Reuters Health, Scientific American and The Scientist. He is the recipient of the 2015 John P. McGovern Medal for excellence in biomedical communication from the American Medical Writers Association, and in 2017 was awarded an honorary doctorate in civil laws from The University of the South (Sewanee). In 2019, the judges for the John Maddox Prize, which promotes those who stand up for science in the face of hostility, gave him a commendation for his work at Retraction Watch.
