

UMass Chan Medical School Oligo Ordering Program "Discount Oligo Portal"

Offered by the **Molecular Biology Core Labs & Integrated DNA Technologies**

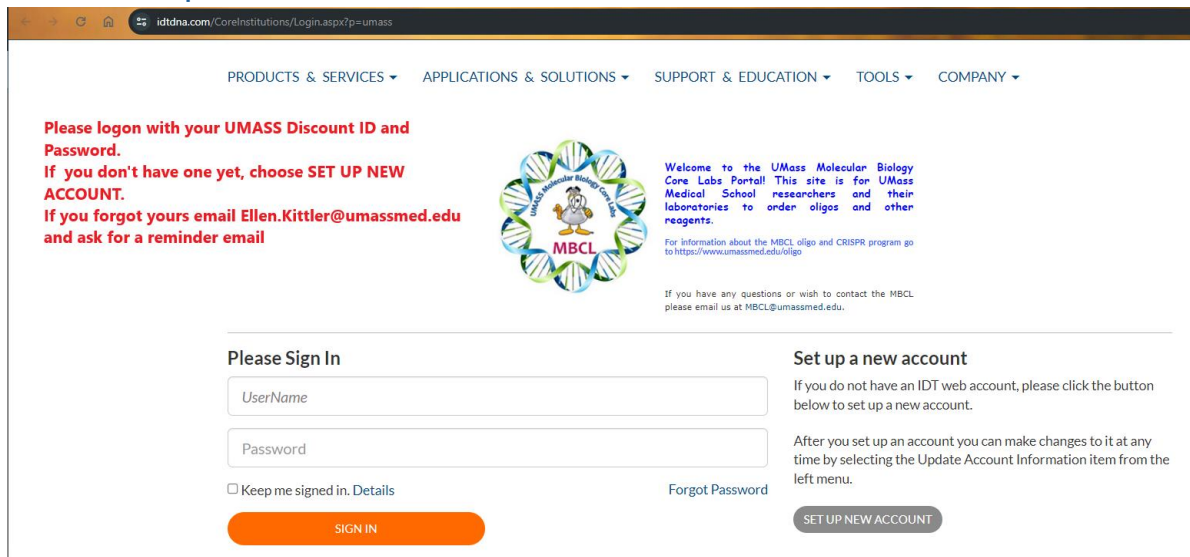

umassmed.edu/MBCL

To sign up and create an account, go to the portal website <http://www.idtdna.com/umass>

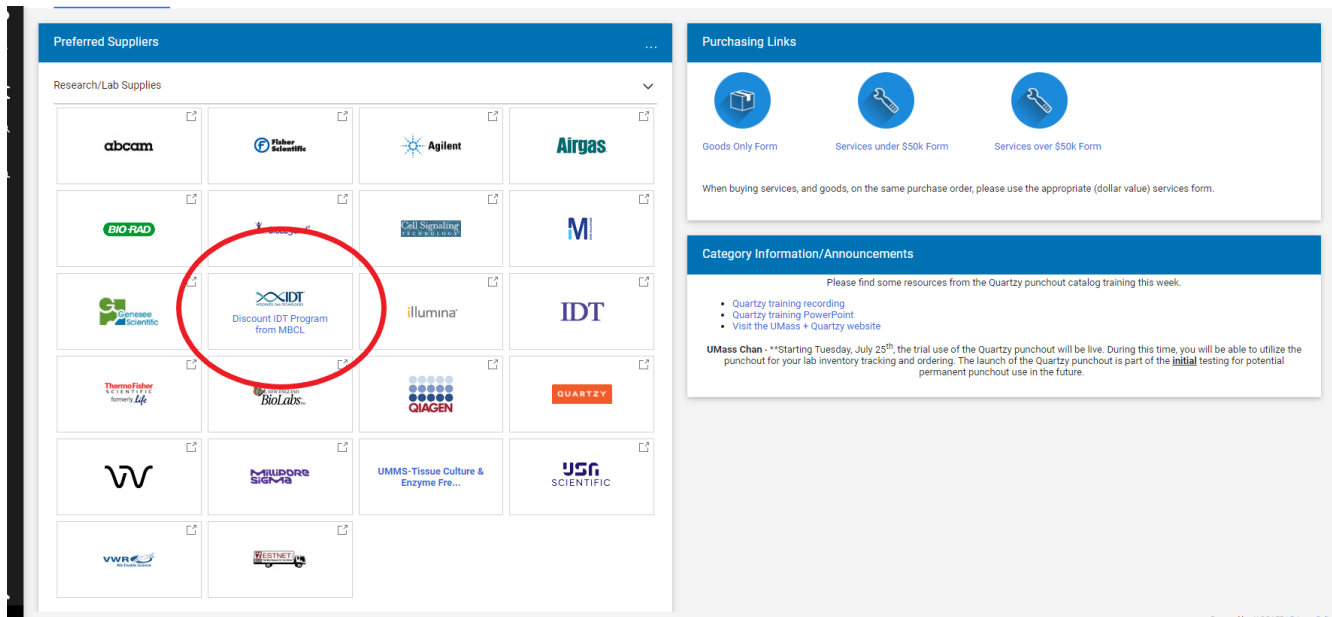

Chose to set up new account

The screenshot shows the IDT website's login page for UMass Chan Medical School. The page has a navigation bar with links for PRODUCTS & SERVICES, APPLICATIONS & SOLUTIONS, SUPPORT & EDUCATION, TOOLS, and COMPANY. A red text box on the left instructs users to log in with their UMass Discount ID and Password, or to set up a new account if they don't have one. It also provides the email address Ellen.Kittler@umassmed.edu for reminders. The main content area features a welcome message and a sign-in form with fields for Username and Password, a 'Keep me signed in' checkbox, and a 'Forgot Password' link. A 'SET UP NEW ACCOUNT' button is also visible.

Once you have completed the application, you can use those credentials to logon to IDT at either their main page or this portal page.

You can also access the portal through BuyWays, choose MBCL Discount IDT button and go to the portal website

The screenshot shows the BuyWays portal interface. The 'Preferred Suppliers' section is visible, listing various vendors. The 'IDT Discount IDT Program from MBCL' button is circled in red. The 'Purchasing Links' section includes links for 'Goods Only Form', 'Services under \$50k Form', and 'Services over \$50k Form'. The 'Category Information/Announcements' section contains a message about Quartz training resources and a note about the Quartz punchout trial.
