the Worcester and  
UMass communities!

Meet this year's honored guest speaker:

Dr. Patricia Walker, MD

A national leader  
in refugee and  
immigrant health,  
Dr. Walker is a  
University of  
Minnesota professor,  
co-editor of  
*Immigrant Medicine*,  
and former longtime  
director of a major  
refugee health center.  
She's helped shape  
national care  
standards through  
her work with  
the CDC.
