

The following list outlines the e-waste items we accept—from electronics and IT equipment to batteries, renewable energy components, and industrial gear—and details items we cannot process due to hazardous or handling concerns.

Accepted Materials

Category	Accepted Items
Electronics & IT Equipment	<ul style="list-style-type: none"> - Computers (Desktops, Laptops, Servers, Mainframes, ITAD equipment) - Hard Drives & SSDs (Data Destruction available) - Networking Equipment (Routers, Switches, Modems, Telecom Equipment) - Monitors (LCD, LED, CRT – <i>restrictions may apply</i>) - Peripherals (Keyboards, Mice, etc.) - Office Electronics (Printers, Scanners, Copiers, Fax Machines, Laser Scanners, Calculators, Telephones, Multi-Function Devices)
Consumer & Household Electronics	<ul style="list-style-type: none"> - Televisions (LCD, LED, Projection; Plasma models <i>may have restrictions</i>) - Cable Boxes & Satellite Receivers - DVD Players, VCRs, CD Players - Audio/Visual Equipment (Speakers, Stereos, Projectors) - Gaming/Video Game Consoles and Accessories - Digital Cameras & Camcorders - Electric Fans, Vacuum Cleaners, Stereo Equipment - Small Kitchen Appliances (mixers, toasters, etc.) - Mobile Devices (Tablets, Smartphones; batteries removed where applicable)
Battery & Energy Storage Systems	<ul style="list-style-type: none"> - Lithium-ion Batteries (EV, UPS, Industrial) - Lead-Acid Batteries (Sealed & Flooded) - NiCd & NiMH Batteries - Alkaline Batteries (<i>Bulk quantities preferred</i>) - Uninterruptible Power Supply (UPS) Systems - Battery Energy Storage Systems (BESS)
Renewable Energy & Power Equipment	<ul style="list-style-type: none"> - Solar Panels (Working & Non-Working) - Inverters & Power Converters - Wind Turbine Electronics & Components - Transformers, Capacitors, Circuit Breakers
Telecom & Data Center Equipment	<ul style="list-style-type: none"> - Phone Systems (VoIP & Landline) - Fiber Optic & Copper Cables - Data Center Racks & PDUs - Enterprise Server Equipment
Display Technologies	<ul style="list-style-type: none"> - CRT Monitors & TVs - LCD, OLED, LED, Plasma Televisions and monitors
Industrial & Manufacturing Electronics	<ul style="list-style-type: none"> - Robotics and Automated Equipment - PLCs, Motor Drives, Control Boards - Test and Measurement Equipment - Electric Motors, Generators, Power Supplies
Miscellaneous Materials	<ul style="list-style-type: none"> - Medical Electronics (<i>Non-Biohazardous</i>) - Electric Vehicle (EV) Chargers and Components - Scrap Circuit Boards (<i>Precious Metal Recovery available</i>) - Cables, Wiring, and Connectors

Non-Acceptable Items

Category	Non-Acceptable Items
Hazardous & Radioactive Materials	<ul style="list-style-type: none"> - Radioactive Devices - Hazardous Waste - Bio-Hazard Items (medical test kits, syringes, medical wastes, adult toys) - Hazardous Household Waste (pesticides, paint, used oil, cleaning supplies)
Fluorescent & Mercury Items	<ul style="list-style-type: none"> - Broken Fluorescent Bulbs (unless properly packaged) - Mercury-Containing Items (electric irons, thermostats, switches, smoke detectors, exit signs, broken lamps)
Battery Concerns	<ul style="list-style-type: none"> - Loose or Damaged Batteries (burnt, bulging, leaking)
Other Items	<ul style="list-style-type: none"> - Pressurized Containers (fire extinguishers, propane/butane canisters) - Non-Electronic Waste (items lacking both a circuit board and a power cord) - Large Household Appliances (refrigerators, washers, dryers, ovens, water heaters, water coolers, air conditioners, space heaters) - Trash/Food Waste/Garbage/Green Waste
