

Creating a Culture of Quality and Safety in Radiology

Kimberly E. Applegate, MD, MS, FACR

Professor with tenure of Radiology
Professor of Pediatrics
Emory University School of Medicine

Director of Practice Quality Improvement
Dept. of Radiology, Emory University School of Medicine

Thursday, October 20, 2016

12:00 PM

Radiology Conference Room (S2-819)

University of Massachusetts Medical School

Objectives of program: Update physicians and other health care personnel on the subject matter.

Upon completion of this program, participants should be able to:

1. Recognize key methods to build a quality and safety culture in radiology.
2. Understand both qualitative and quantitative metrics in a radiology Q&S program.
3. Provide examples of quality assurance and improvement projects based on a safety event and promote a culture of safety.

Accreditation Statement: This activity has been planned and implemented in accordance with the Essentials Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME). The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The UMMS designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Statement of Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
